REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-12 are allowed.

Prior art of record fail to disclose a specific arrangement of a torque convert having the input member having paired magnet poles, and the output member having a plurality of pairs of movable periphery magnets per pole, and a winding arranged for each peripheral magnet pairs, the windings being connected to a controllable inverter arranged to control torque from the torque multiplying member, the input member and the output member are arranged so that the output member rotates with the input member under magnetic force, the moving peripheral magnets causing the windings to produce a slip related control signal for the inverter to control the torque from the torque multiplying member, and including other features as recited in claims 1-2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thanh Lam whose telephone number is (571) 272-2026. The examiner can normally be reached on t-f 9-7.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Darren E. Schuberg can be reached on (571) 272-2044. The fax phone
